ARTISTS OF RIVER TOWN: ART FOR OUR COMMUNITY

The Value of Membership

Artists of River Town (ART) members have the opportunity to show their work in our gallery space at the Brushstrokes Gallery, 1967 Montgomery Street in downtown Oroville. Members are encouraged to volunteer their time through participation in local festivals, sharing art techniques by teaching children and adults.

Community Involvement

Over the past decades, ART has connected with the local community to bring appreciation of art to children and adults.

Artistic Community

Monthly meetings, community event participation, taking classes, bus trips to out of town museums — all provide opportunities for ART members to meet other local artists and make new friends.

Local Festivals & Events

Help staff a booth or table during local events to help bring art awareness to our community. ART has participated in the Wildflower Festival and the Salmon Festival.

Leadership & Impact

Members of ART are encouraged to become involved by serving on committees and the Board of Directors.

Join us Today!

The Artists of River Town has been in our community for over 15 years. As a member of ART, you can help to shape the future of our organization.

ART is a 501c(3) non-profit organization whose mission is to operate an arts venue that supports and promotes the work of local artists while providing educational opportunities, greater knowledge, understanding and involvement by persons in the community.
